

# HERE'S the POINT

By SPENCE HELD

The other noon I sat myself down in the last booth in a local restaurant and prepared to eat a sandwich and read a newspaper undisturbed.

Fat chance!

Two more or less slick chicks, 14 or 15 years old, approached my table. "You don't mind if we sit down, do you?" one asked. (There were plenty of vacant seats at the counter.)

"Sure, go ahead," I said, hiding behind my newspaper.

They lit cigarettes and ordered cokes and jabbered about their boy-friends while I tried to drown my butterflies in black coffee. Their chatter went something like this: "I like George O. K. but he's out fishing all the time. . . . She likes Joe, too. She wants to get married. . . . Well, my cousin got married when she was fourteen."

Finally they finished their cokes, squashed their red-smear-ed cigarettes, and departed.

Yeah, and I got roped into going to a high school senior prom. It was held in a private club; elaborate precautions were taken by the school authorities to keep the hoodlums out and keep the kids in during the dance.

Four cops and a police matron reinforced the platoon of teachers on duty.

You think that's unusual? Not by a jugful—it's standard practice, I'm told.

Anyhow, it was a well-run affair. None of the boys mounted the springboard and jumped into the pool in their nice white coats. I saw nothing objectionable except the extremely low-cut gowns worn by some of the girls.

A couple of years ago, at a senior prom, two boys climbed the diving tower and jumped in, fully clad. Obviously, they had partaken freely of certain befuddling beverages which are not hard to obtain.

Well, what do you expect? The movies have glamorized booze for years. And the cigarette companies spent millions of dollars to create the impression among teen-agers that it's smart to smoke.

The doctors finally are getting the word on cigarettes, though, and the manufacturers are getting desperate. They're fiddling with filters and hiring eggheads by the dozen to prove that it ain't so, doc.

Sure, I've smoked for years. But anybody who pounds a typewriter against a newspaper clock knows that smoking is definitely harmful. One of these days I'm going to quit again, it says here.

As for teen-agers—aw, what's the use? They don't read anything but "comic" books anyhow, so I'm just wasting good white paper.

Besides, I gave up trying to reform the world a long time ago. The zealot who burns to save humanity from the fleshpots and teapots and hydrogen bombs is bound to become a bore—and wind up in the booby bin.

Yeah, and probably he can't stop smoking himself.

## Promotional Exercises At Dana Junior High

The audience was unaware of a father-son relationship as Richard Hall received the highest honor certificate awarded to Dana Junior High ninth graders at promotional exercises June 16, and his father, Dr. George V. Hall, spoke to the 1954 class. Dr. Hall is assistant superintendent of schools.

Richard's sister, Barbara, had earned the same six citations award the previous year.

David Grobecker, student body president, received the Sons of the American Revolution Good Citizenship award from Judge Everett N. Curtis. He was judged by the Dana faculty as being the most outstanding in citizenship and service to the school, of the 437 ninth graders.

Virginia Curl, Arline Montgomery and Michael Werthman won the four citations award. Eleven students won three citations—Victoria South, Keith Hughes, Tommy Hall, Lalo Gonzales, Robert Walker, Jack Henry, Ray Stanford, Anne Morris, Barbara Velasquez, Gael Squibb and David Grobecker.

Two citations were awarded to 18 students—Julie Jacobson, Jerry Bovee, Donna Naylor, Lucy Cherry, Helen Wilson, Cynthia Blouin, Marietta Duccotee, Russell Hickman, Jane Chapman, Richard Lindner, Vernon Eppley, Patricia Shyte, Marilyn Maloney, Gene DeFalco, Lenore Scott, Michael Prior, Margaret Castro and Mary Fletcher.

Fifty-six of the 1954 class won citations.

The Reader's Digest award of a year's subscription to the outstanding graduating student went to Richard Hall, whose sister, Barbara, preceded him one year in receiving the same award.

## Community Parking Lot To Be Ready By July 1

Surfacing of the community parking lot at Santa Monica Ave. and Cable St. was started this week and the lot is expected to be ready for operation by July 1, according to Jim Noel.

Noel, chairman of the Ocean Beach Chamber of Commerce Retail Committee, is treasurer of Ocean Beach Community Parking, Inc. He said the lot has been leveled off and will be surfaced with hard top asphalt.

The 125x140-foot area at the southeast corner of Santa Monica and Cable, only one block from Newport Ave., was purchased by the community corporation after the project was

initiated by the Ocean Beach Chamber's Parking Committee. "This is believed to be the first community parking project in San Diego," said Noel. "We think it will be a big asset to this area."

Entrance to the parking lot will be on Cable street, with the exit on the alley between Newport and Santa Monica.

No decision has been made to date on the method of operation. Ocean Beach Community Parking, Inc., is headed by Tom Drake, president; Harry La Dou and Spike Webb, vice presidents; Tom Smith, secretary, and Noel, treasurer.

## Three Crashes But None Hurt In This Area

Considerable damage was done to two cars Sunday at 12 p.m. when a car driven by Patricia Ann Perlati, 4231 Verona St., going down Point Loma Avenue, struck the rear of a car being driven into a driveway by Robert B. Horne, of 1507 Santa Barbara St. The crash occurred between Guizot and Santa Barbara.

A car driven by Clarence E. Wakstrom, 4835 Santa Monica Avenue, Sunday at 4:15 a.m., going north on Cordova between Casitas and Carmelo streets, swung to the wrong side of the street and struck a parked car registered to Arthur Lane, police reported. Over \$200 damage was done to the parked car.

Howard McClellan, 4664 Santa Monica Avenue, veered his car to the right on Ebers street, between Brighton and Cape May Avenues, Monday at 11:05 p.m. The parked car he struck was registered to William B. Baker, 4714 Cape May Avenue.

The junior division of the horse show at the Southern California Exposition and San Diego County Fair is the largest in the United States.

## LOCAL BOWLERS STATE CHAMPS

By EVELYN MACONNELL

Elm's Clothiers, local bowling team, won the team event in the annual California State Bowling Championships.

The team, comprised of the following bowlers, Tony Pandza, 4925 Santa Cruz Ave.; Allan Blackwell, 4655 Brighton; Lou Valersky, 4681 Adair; Bill Peat, 4430 Marseilles and Paul Fleck 4979 Newport, is housed at the Ocean Beach Bowl.

The boys racked up some fine games as these scores will attest: Tony Pandza, 197, 229, 190—616; Blackwell, 183, 202, 179—564; Valersky, 189, 204, 165—558; Peat, 161, 191, 208—560; Fleck, 153, 177, 223—553. Total 2851; Handicap 323; Series 3179.

We should be proud of these bowlers, as the State Team Championship is quite a plum in bowling annals and the competition is really rough.

In addition to a very large, imposing sponsor's trophy, the team members won \$600 cash and five 17-jewel wrist watches, congratulations, fellows. Good job.

## S. D. Heart Group Annual Meet Mon.

The San Diego County Heart Association will hold its annual meeting next Monday at 7 p.m. in the State Ballroom of the San Diego Hotel for the election of a new Board of Directors, to consider other business and to hear an eminent heart surgeon discuss advances in the treatment of heart diseases.

S. A. Foushee, Secretary, announced that Dr. Charles A. Hufnagel, Associate Professor of Surgery at Georgetown University, Washington, D. C., will speak on "Modern Concepts in the Treatment of Heart Disease."

Dr. Hufnagel, Foushee reported, is a graduate of the University of Notre Dame and Harvard Medical School. He has served as Assistant in Surgery and Instructor at Harvard, as a resident in Pathology at Mallory Institute in Boston and has been honored as one of the nation's ten outstanding young men.

In addition to his professorship at Georgetown University he is consultant in cardiovascular surgery at three hospitals in the Washington area, Chief of Thoracic Surgery at another and Cardiovascular Surgeon at Georgetown.

Although the Association now has 500 members in the County, Foushee said that reservations for the dinner meeting will be limited to 180.

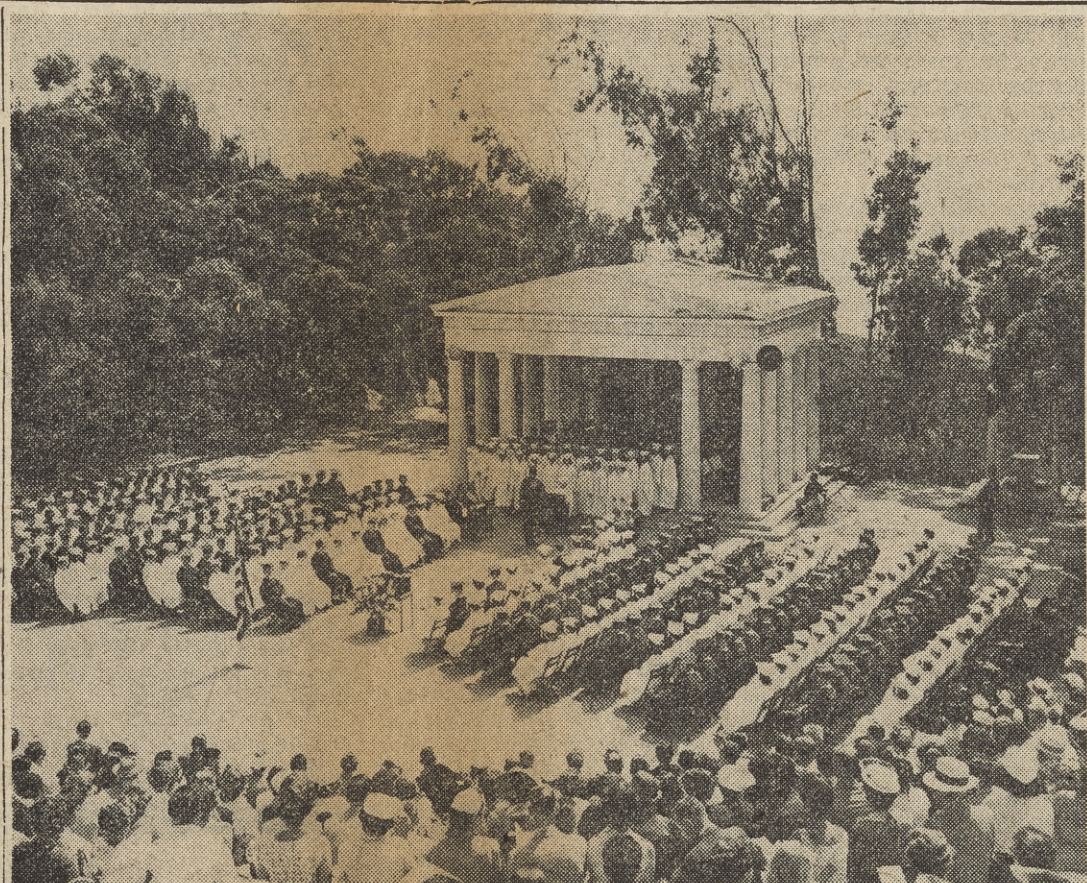

Dr. S. J. McClendon, president, will preside. The committee in charge will be Dr. S. Chambers, chairman and William Krenning and Edwin C. Campbell.

## Coast Guard To Recruit In S. D.

The United States Coast Guard announces that a special increase in their recruiting quota will make it possible for them to accept enlistments from this area this summer. Because the nearest Coast Guard Recruiting Station is located in Los Angeles, arrangements have been made to set up a special recruiting unit for a few days in San Diego. The Coast Guard Recruiters are set up now at the Motorboat Registration office, 1365 Harbor Drive, in San Diego. They will be there only through June 28th.

Young men who are interested are urged by the Coast Guard to take advantage of this opportunity to enlist or to inquire while the recruiting team is in town. The recruiters will be set up to answer any questions which may pertain to Coast Guard service.

Men between the ages of 17 and 26 are eligible to qualify.

## Expo and County Fair Will Open Tomorrow

**DEL MAR**—The Southern California Exposition and San Diego County Fair, the first and one of the largest of California's mid-summer attractions, opens for an 11-day run here Friday.

A total attendance of 250,000 was predicted by Paul T. Mannen, exposition secretary-manager.

"We have the largest and most diversified exposition in its 15-year history," Mannen said. Heading the list of attractions are two technological exhibits that have played before large audiences in Europe and other sections of the United States.

"Dancing Waters," an unusual and colorful combination of water, lights, music, engineering and showmanship, will make its second Southern California appearance at the exposition. Since its debut in Europe in 1952, "Dancing Waters" has played to more than 10 million persons.

An atomic energy museum,

which includes 25 separate displays of how the atom affects agriculture, industry, medicine and other activities, will make its Pacific Coast debut at the exposition.

Other entertainment included in the 85 cent admission price for adults and 25 cent charge for children under 12 will consist in part of a preview of progress, horse show, gem show, flower show, tropical fish exhibit, flower show, livestock show, junior fair, art show, armed forces display, home economics show and commercial exhibits.

The schedule of special events includes a diaper derby, mutt show and talent show. Children will be admitted free on June 28.

The Sauter-Pinegar orchestra leads a parade of the nation's top musicians to the exposition bandstand. Other bands are Les Brown, Spade Cooley, Lawrence Welk, Smoky Rogers and Benny Lagasse. Vaudeville performers also will entertain daily.

## DIAPER DERBY FOR CRAWLERS AT DEL MAR

Entries for the sixth annual Diaper Derby, a popular perennial at past county fairs, are being accepted for the 1954 Southern California Exposition and San Diego County Fair at Del Mar, June 25 through July 5.

The specifications are simple, according to Barney Newlee, special events director. The contestants must be human, under 12 months and able to crawl without coaxing. If the baby stands up, he is out.

Preliminary contests over a 15-foot course at the Fashion Theatre will be held June 26 and 27 and July 3 and 4. Finals will be conducted July 5. Merchandise prizes will be awarded the winners. Every baby entering will receive a gift.

Winner of the \$25 U. S. savings bond for second place was Barbara Mayo, 10th grader at Hoover High School. Third place and a \$10 cash prize went to Susan Bowen, 10th grader at Lincoln High School.

The plan pledges cooperation with the end goal of giving Methodist sponsorship to Cal Western, Bishop Kennedy said. It "promises great things for the educational program of the Methodist Church and for California Western."

## Local Residents Irate As Kelp Covers Beach

Peninsula residents were irate over the kelp situation this week as tons of the stuff littered the sand at Ocean Beach.

While the Ocean Beach Chamber of Commerce prepared to send a formal protest to the City Council yesterday, City crews finally were working to clear away the kelp which had covered the beach for several days.

Complaints from indignant residents flooded the PENINSULA NEWS early this week. On Monday and Tuesday, the beach south of Newport Ave. was a solid mass of kelp washed in by the waves. In some places it was piled more than four feet high. North of Newport the beach also was littered with kelp.

One resident reported that a truck removed two loads of the stuff Saturday without making a dent in it. On Tuesday, some was cleared from the area at the foot of Santa Monica Ave.

The Ocean Beach Chamber of Commerce, meeting Tuesday, authorized John Pierce, secretary, to send a letter to the City Council on the subject.

Tom Drake, chairman of the Chamber's Beach Improvement

Committee, pointed out Tuesday afternoon that a Chamber delegation appeared before the Council last year in regard to the kelp situation. "At that time," said Drake, "the Council directed the City Manager to keep the beach clean."

The City then bought three kelp-clearing machines. This year these machines have been assigned elsewhere—to Pacific Beach, Mission Beach and La Jolla.

Yesterday morning, a reporter inspected the beach and noted that it had been fairly well cleared north of Newport. To the south, a tractor equipped with a big "pitchfork" was throwing kelp from the main mass into a truck.

## Outboard Race Sunday To La Jolla and Back

Next Sunday, June 27, is the date for the postponed rough water race to be staged by the Outboard Boating Club of San Diego.

That was the announcement yesterday by Commodore F. A. Wolf of Ocean Beach. The course, more than 40 miles in length, is from Shelter Island to La Jolla and return. Final time trials will be held Saturday; all entrants are to meet Saturday, 7:30 p.m. at Depew Marine Hardware & Boat Co., 1800 Rosecrans St., to get final instructions.

More than 150 boats are expected to take part in the race. Beginning at 7 a.m. Sunday, they will leave Shelter Island at staggered starting times determined by handicaps based on time trials.

They will speed out the channel to No. 5 buoy, south of the harbor entrance, to clear the kelp beds, then turn west and north toward La Jolla. Rounding a boat anchored about two miles off La Jolla, the racers will proceed toward the beach, rounding a white buoy and will then return over the same route.

"Because of the handicaps," said Wolf, "most of the outboards are expected to finish at Shelter Island about 11 a.m."

Spectators on Shelter Island will be advised of positions of the boats by means of a radio hookup and loudspeaker. The hookup will include Coast Guard and auxiliary boats and a helicopter, all patrolling the course.

Commodore Wolf and other winners in the recent Catalina race will enter. Entries are expected from Los Angeles, Long Beach, Santa Ana, Brawley and other communities. Many fine trophies have been donated.

## Local Students At Boys' State

Richard Castro, Burton Everist and John Holman, of Point Loma High School, were among 21 San Diego representatives attending Boys' State in Sacramento this week.

The annual event, sponsored by the American Legion, features participation by hundreds of high school juniors from all parts of California. They are selected on the basis of character and scholarship. About 400 represent Southern California.

They set up complete State, County and City Governments for a week of legislative activity. The San Diego boys will attempt to win the Boys' State Governorship from the Los Angeles contingent.

## Lambs Will Sing At USD Dinner

Entertainment and guest speakers at the United Success Drive's Thank You Dinner in El Cortez Hotel tomorrow at 7 p.m. will include Bernard and Mildred Lamb and Vincent Price.

Speakers will be Vice Adm. Wilder D. Baker, USN, ret., president of the Community Chest, and George A. Scott.

Bernard and Mildred Lamb, who will star separately in Star Light Opera productions this summer, will be featured together tomorrow in a duet of love songs. Price, star of films and stage, appears in "The Winslow Boy" which opens at La Jolla Playhouse June 29.

**OUTSTANDING**—Mrs. Ruth Faber, of 5010 Saratoga Ave., receives the first annual Citizen of the Year Award from Harry La Dou, president of the Ocean Beach Chamber of Commerce. John Pierce, Chamber secretary, is at the left. The certificate cites Mrs. Faber's outstanding service to the community during 1953. She was a director of the Chamber, treasurer of Ocean Beach PTA, active in Trinity Episcopal Church, co-chairman of the Daz-O-Fun parade, chairman of the bridge opening parade, and in charge of the Christmas tree party at the local library. ## Officers Installed At Final Meeting Of O. B. Woman's Club

By MARIAN KRETTLER  
The final session of the Ocean Beach Woman's Club until it convenes in September took place June tenth when new officers were installed. Preluding the serious business of the day, three beautiful songs were given by one of our local girls, Miss Rosemarie Hudson. She was accompanied at the piano by Mr. Walter Haswell.

Concluding the final hours of her administration, president, Mrs. Sylvan Planson told of her trip to the General Federation session in Denver, and announced that her cherished club had received a state award for the largest subscription to the "Clubwoman," the organ of Federated activities.

In addition to re-decorating the rest rooms of the clubhouse, the Ocean Beach Juniors presented a gift of twenty-five dollars to the sponsoring Senior Club.

Mrs. Walters of Pacific Beach, County treasurer, was the installing officer. Likening Club activity to a wheel, she spoke entertainingly of those who comprise them in their work. Those installed were: President, Mrs. Fred Curtis Thompson; first vice-president, Mrs. R. W. Hurt; second vice-president, Mrs. Frank White, third vice-president, Mrs. Arthur Spencer; corresponding secretary, Miss Suzie Agee; recording secretary, Mrs. Rhoda M. McDougall; treasurer, Mrs. C. B. Reid; historian, Mrs. W. S. McConnell.

Mrs. Thompson, the ensuing president, provided names of her committees. They are: Civic chairman, Frances Darr; American Home, garden activities, Mrs. Sylvan Planson; Literature group, Mrs. Al Munchingo; Amenity, Mrs. Wenrich; Auditing, Mrs. C. A. Baker; Civic, Frances Scott; Decorating, Mrs. Florence Jackson, hostesses, Mrs. E. Bruce and Sites; House manager, Mrs. C. H. Woodley; Telephone, Mrs. D. I. Threinen; and publicity, Mrs. Lloyd Davis. Parliamentarian, Mrs. Frank Swan.

Presiding at the beautiful appointed table during the social hour were past president, Mrs. Sylvan Planson and I. A. Hegerle. The club will conduct a rummage sale July first and members are urged to bring unneeded but useful articles to this event.

## Barbeque For Birthday Of Susan Stice

Susan Yynn Stice became seven years old last week and her parents, Mr. and Mrs. Jack Stice, 1039 Sorrento Drive, cooked up a party for her with plenty of room for games. The new patio of the Silvergate school was chosen for the affair that was held Saturday from 11 a. m. until 1 p. m. with Mr. Stice barbecuing the hamburgers. The entire meal was ranch style. The party brought back together children that had attended Silvergate school last year and now part of the group were attending the new Sunset View School.

Invited guests were: Betty Allen, Cathie Chase, Sharon Connell, Becky English, Helen Felts, Barbara Foley, Lita Harris, Kim Leighton, Ilona Missler, Pamela Stewart, Carol Wille, Susan Fibbals, Bunny Malone, Mary Jane Hopper, Gayl Keller, Terry Stice, Craig Butler, Jeffrey Fink, Jimmy Greenwood, Glen Holmes, James Mann, Terry Shirrod, Michael Adamson, Brad Allison and Rodney Funk. ### UNDER NEW MANAGEMENT—TEMPORARILY, THAT IS—

Harry La Dou, president of the Ocean Beach Chamber of Commerce, didn't open his umbrella Sunday as he usually does. His wife and three children did, though—it was their Father's Day gift to him. "We really had a gay time," said Mrs. La Dou. "We didn't know where anything was or how much it cost, but the customers knew and they helped us. When a woman came in I'd pounce on her, thinking she would ask for household wax or something I knew about, but she'd always surprise me by reeling off a list of lumber of numerous sizes and grades. It seemed that the women's shopping lists were the most complicated to fill." Dressed in sweat shirts and jeans and right in there pitching were the La Dou children: Leah, 19; Joe, 15; and Lew, 9.

AND, SPEAKING OF FATHER'S DAY—Not every Dad got a "sleep-in" ticket on Sunday. Up and early to try out his gift was Harold C. Smith, 3235 Homer, whose look belied his statement to the press: "That car wax was the very thing I wanted."—Then, of course, there was the cutting remark of my friend's husband: "I want to take this opportunity to especially thank the member

of my family who presented me with the lovely pair of grass shears."

PARTY AT KONA KAI—"Smooth sailing for summer" was the message relayed by the sail boat centerpiece at the dance given Wednesday by Betty Ann Sherwin and Barbara Maloney at Kona Kai Club. Fifty bound-for-eight-grade youngsters danced around the pool and in the lanai room. On hand to welcome guests were Mr. and Mrs. Vernon Sherwin and Mr. and Mrs. Richard Maloney.

NEW ADDRESS—"Everybody got what they wanted," said Mrs. Glenn Bovee, when the family moved into their new home at 3225 Whittier. "My husband wanted a view; I wanted more closet space and a colonial house; and the children were dead-set on not moving more than three blocks away."

HITHER, THITHER, YON—It's Down Mexico Way for Mr. and Mrs. W. van der Zyl, 3771 Milan St. and their neighbors, Lt. and Mrs. William Minkler, who left early in the week for four days of relaxing at Rosarita Beach and Ensenada.

General manager of Sears Roebuck San Diego store, J. L. Wil-

liams, and Mrs. Williams have bought a home on Roserans. They have a 3 year old son who is a student at USC.

From Feather Ave. come Mr. and Mrs. D. Preschern who have moved into their brand new Loma Portal home on Wisteria Drive. They have three children, Wendy, Sharon and Scott. Mr. Preschern is with the Post Office.

Former Chula Vista's have moved into their home on Russell St. They are Mr. and Mrs. K. J. Dahms, owner of the fishing boat "Rex". They have a 14 year old son, Bruce.

New comers on Dumas street are Mr. and Mrs. H. J. Lasley and their 4 year old son, Kirk. Mr. Lasley is an appraiser for the Veteran Administration.

From Honolulu come Ensign (USN) and Mrs. L. L. Lee who have taken an apartment on Roserans.

Mr. and Mrs. H. C. Miller from Portsmouth, Virginia, and their five children are at home now on Lawrence street. Mr. Miller is in the Navy.

From Detroit, Mich., come En-

sign, USN, and Mrs. N. Adkins who have rented an apartment on Kellogg St.

# WHAT'S DOING

D. W. Lewis, your Telephone District Manager in San Diego

# New cable sheath saves money

If you look closely at the telephone cables in the picture—both similar to the ones that carry your calls—you'll see a difference in their coverings. The outside of the cable on the left is made of lead. And, formerly, only lead did a good job of protecting the vital wires inside. But now we have a new cable covering called "stalpath" (the one on the right). Perfected after long research, it's made of aluminum, steel, and plastic. Stalpath weighs less than lead and costs less—up to 43 cents a foot less. We're using it wherever we can... to

furnish more service, good service, at low cost to you. Pacific Telephone works to make your telephone a bigger value every day.

# Easy way to speed long distance calls

You'll get faster long distance service if you give the operator the telephone number you're calling, rather than just the name and address. And to help you keep out-of-town numbers handy, we'll be glad to send you a free booklet to list them in. For your copy, just call, write, or drop in at our business office.

# You can save time and steps

For just pennies a day, you can enjoy the privacy and convenience of an extension telephone in any room of your home. Extensions save steps, save time... make it easier for the family to place calls, receive calls. No additional outside wires or equipment are needed—just the telephone itself. To get your extension, call our business office. Pacific Telephone.

## Luncheon Honors O. B. Teachers

On Friday, a luncheon was held for the teachers and staff members of Ocean Beach Elementary school.

Among those present were Miss Vesta Peterson, principal; Mrs. L. M. Shirley, president of the Ocean Beach PTA and Mrs. Abigail Karl, who retired following thirty years of teaching.

Miss Peterson wished "good luck" to those teachers leaving the school and presented Mrs. Karl with a certificate from the Board of Education and a book of letters from the retiring teacher's pupils.

Mrs. Benny F. Edens chairmaned the home room mothers, who hosted the event.

Underinflation of tires increases deterioration, warns the National Automobile Club.

## Alice Mahnke Returns Home From Europe

After a three months trip to Europe mixed with illness, strange customs, food, and beautiful fashions, Communist consciousness, Alice Mahnke, (Mrs. Howard J.) has returned home.

In the early part of February she left her home at 2030 Ebers street, bound for Paris, to attend the World Fashion Show with just about a week to be at her destination. As would be expected she was thrilled with the beautiful fashions, but materials, she says, cannot compare to ours. When she returned home she brought with her paper fashions of exclusive models and since she is a custom designer and dressmaker she feels indeed fortunate to name among her fashions, Le Garçon, Hellbron, Elle, Dior, Schapparelli, Paquin, Alure, Coutrie, De Marie Clair and Elegance. She only chose those fashions that would be acceptable to the American public, and most of these are Fall fashions. In England, Scotland and Ireland she picked up samples of their woolen. She spent six weeks in France, and in other countries her overall trip covered 28,000 miles.

Dressmaking is a far cry from Mrs. Mahnke's other vacation. She is the only woman fishing guide in the United States.

While in England she contracted Undulant Fever and has been treated by an Ocean Beach doctor to recover her health. Since her return to California she went up into the High Sierras and enjoyed catching her fresh fish. She then was able to try out some of the delicious ways people in France cook fish without frying them.

Upon her return from Europe she found her home, which she and her husband had leased, had been sold. Unable to find suitable quarters for her dressmaking establishment, she had to leave Ocean Beach and is now living in Mission Hills, 2942 Eagle Street, at Laurel and State Street, and invites visits from her friends and customers.

## Mrs. Abigail Karl Retires From 30 Years Teaching In Ocean Beach

Mrs. Abigail Karl retired from the teaching profession last Friday, June 18, 1954. The local educator has taught second grade at the Ocean Beach school for the past 30 years.

She came here in 1912. Her very first class of students met in the hallway between the two rooms that made up the school back in that year.

Mrs. Karl was born in McAlester, Oklahoma at the time it was still Indian territory.

The Ocean Beach teacher received her college education at the University of Arizona. She then came to California and has made this state her home. Mrs. Karl left the teaching profession for a span of 12 years until her children were all of school age.

During her thirty years at Ocean Beach she taught and guided hundreds of children, many of whom have become prominent citizens.

The numerous friends and associates of Mrs. Karl have hon-

ored her with parties and gifts. Ocean Beach staff members and faculty presented her with a television set; the PTA gave her a traveling bag and electric blanket; the pupils of 53-54 and their parents held a party and presented Mrs. Karl with a silver tray; a group of friends held a dinner in La Jolla while former Ocean Beach teachers held a luncheon at Kona Kai.

Mrs. Karl plans to visit with her sister in the Ozarks in the near future.

State and federal legislators will visit the Southern California Exposition and San Diego County Fair at Del Mar on June 29.

### Giant Talking TB Bug To Be At Fair

Looking a little like a monster from Mars, a man-sized talking TB bug will be the focal point this year of the San Diego County Tuberculosis and Health Association's exhibit booth at the San Diego County Fair, June 25 through July 5.

Ruddy Slug, the giant red TB bug, will be wearing boxing gloves and be sitting in the corner of a boxing ring in the main exhibit hall. He will tell fairgoers, young and old alike, of his experiences as champ.

The local TB Association feels that Ruddy Slug will be able to dramatically point out the need to guard against this killer. In spite of the fact that TB can be cured and prevented, it remained the leading killer of all contagious diseases last year.

There were 51 deaths from TB in San Diego County last year and 400 new cases were discovered. One half of the persons who were knocked out by the TB germ locally last year were unknown or unreported cases until death, the Association pointed out.

The Association urged every Fair-goer to get a chest X-ray at the San Diego Department of Public Health's mobile unit, which will be stationed on the Midway.
